

JSS PUBLIC SCHOOL, NOIDA

SESSION 2017-18

CLASS-IV

Dear kids

Holidays are approaching and it's time to relax, rejuvenate and have some fun. Let us put our thinking caps on and do some fun filled activities to enjoy learning.

ENGLISH

1. Reading story books is a very good way of utilising your time during the holidays and it is also an interesting way to learn.

Read any three Panchatantra stories. Write any ONE story of your choice in an A-3 size coloured sheet. Make it attractive with suitable illustrations.

2. Prepare a colourful Picture Dictionary, using colourful pastel sheets on the topics:-

Means of transport OR Food.

Find fifteen words on any one of the topics given. Arrange these words alphabetically, in the form of a dictionary and compile them.

(Also paste suitable pictures) It should be of postcard size.

3. 'Summer Coolers'- Make a list of four to five drinks that keeps you hydrated during the scorching heat of the summers. Illustrate and describe the process of making any ONE of them. (Do it in an A-4 size coloured sheet.)

4. Learn any poem of your choice on the topic-"Flowers"(eg. Rose, Sunflower etc) for class recitation.

5. In an A-4 size sheet make a word chain. The last two letters of the word should form the first two letters of the next word. (Write 20 words)

Eg- Metal → almost → stranger → eruption and so on.

SOCIAL STUDIES

Activity 1. On the political map of India, locate the desert region and stick some sand on it using fevicol. Discuss with your family members about 'Life in desert region' and prepare a list of things you need to carry with you if you have to go and stay there for one week.

Activity 2. Write a short paragraph about 'Living near water bodies'. Draw and colour pictures also.

Activity3. Make a list of ten endangered animals and mention the wildlife sanctuaries in which they are found. Write about their habitats, food habits and

explain why they have become endangered. Paste pictures/Draw pictures of these endangered animals.

Activity 4. Make a Collage on Wild Life Animals and Plants on A-3 sheet.

MATHS

1. Make beautiful borders using tiling and Rangoli patterns by cutting chart papers.
2. Make any two 3 'D' (+) and (X) number towers using square blocks and paste on thermocol/ cardboard.
3. From newspaper, collect the numbers of spectators (number of people watched) of IPL in three different stadiums in India and do as follows-
 - a. Find their sum (all three).
 - b. Estimate (or) round off and find their sum .
 - c. In which stadium there were more numbers of spectators when compared to other two and by how much?
(Paste the pictures of a stadium where the spectators are sitting and watching the match on A-4 size sheet and then solve the problem).
4. Write any four secret messages with their codes on A-4 size sheet.

SCIENCE

1. Make a model of structure of tooth using clay on A-3 size cardboard/Hardboard and label it properly.
2. Observe the packets mentioned and fill in the following table-

	Potato chips	Chocolate Bar	Full Cream Milk	Double Toned Milk	Pure Ghee
FATS					
PROTEIN					
CARBOHYDRATES					
ENERGY					

3. Write five lines about RED CROSS SOCIETY.
4. Revise lesson 1 and 2 for Unit Test.

HINDI

1. चाँद के बारे में कई कहानियाँ प्रचलित हैं। अपनी दादी या नानी से कहानियाँ सुनिए और कोई दो कहानियों को लिखिए। (A4 size sheet)
