## La routine quotidienne de Marcel

Chaque matin, je me réveille de bonne heure et je fais ma toilette: je me lave le visage, je me brosse les dents, je me peigne, je m'habille. Ensuite, je prends le petit déjeuner: du lait aux céréales et une tasse de chocolat.

À sept heures trente je pars pour l'école. D'habitude je prends le bus mais le vendredi je vais à pied.

À l'école - pas le temps de m'ennuyer: je lis, j'écris, je fais des problèmes. J'aime beaucoup le français, la géographie et l'histoire.

Je rentre à la maison à 13 heures. Je prends le déjeuner puis je me repose.

L'après-midi, je fais mes devoirs, ensuite je vais dans le parc où je me rencontre avec mes amis.

Le soir, je lis un peu, je joue sur l'ordinateur ou je regarde la télé. On dîne, je prends un bain puis je me couche tôt parce que le lendemain j'ai une autre journée très chargée.
